The draft programme is now available and can be found on the following websites.

Please check the programme carefully. If you have any queries on what you see, send your comments and questions to the email address given below on or before Saturday, 3 February 2018.

Also use this email address for any withdrawals. These should be notified as soon as you can, by providing the swimmer name, event and club/team.

The meet was heavily subscribed and unfortunately, we have not been able to accommodate all entries. Indeed, the quality of the entries was so high that we have extended the morning session for all those with open qualification times and for the fastest juniors. Even doing that we were unable to accommodate a minimum of 16 juniors in every event, though we have for most. Apologies for any disappointment.

New session times are posted on the draft programme; the morning session starts at 8:45 each day; the second session each day will start at 12:30. Finals remain at 17:00 Thursday – Saturday and 16:30 on Sunday (see over).

To help with travel arrangements, the expected time line for Sunday's evenings events will soon be available on the event website at eism.org.uk (event services page).
