EDINBURGH INTERNATIONAL SWIM MEET 2022

WELCOME – CITY OF EDINBURGH SWIMMING INTERNATIONAL TRUST

Welcome to Edinburgh and to the International Meet of 2022. We are delighted to promote this popular event once more after the break in 2021. Over the next few days, we are privileged to have many Olympic medallists and swimmers from Tokyo 2020 and the European Championships 2021 competing.

It is a real testament to the swimmers, coaches, support staff and parents that such brilliant performances were witnessed at these two major events and all the other swimmers who have continued to find innovative ways of training and keeping fit in a period of turmoil throughout the world. National Governing Bodies along with Counties and Districts have continued to give many opportunities for club swimmers to compete and again many thanks are due to all the volunteers and technical officials who make this possible. Well done to all.

The entries this year have surpassed expectations and we welcome over 840 swimmers from 77 clubs/teams and representing 34 nations. Events like this cannot run without support from many sources and I would like to take this opportunity of thanking City of Edinburgh Council, British and Scottish Swimming for their valued support. Special thanks to the planning group, volunteers, technical officials, and staff here at the Royal Commonwealth Pool along with the lighting and live stream contractors and our merchandising supplier

Cead Mile Failte

Helen Murray MBE
Chair, EISM Trustees

WELCOME – CITY OF EDINBURGH

I am delighted to welcome all spectators, officials and swimmers to the 2022 Edinburgh International Swim Meet here at the Royal Commonwealth Pool in the Capital.

Over the past two years, it has been a challenge for us to get together, never mind having the ability and confidence to come together for international competitions, so I'm delighted that we can once more welcome you all for what I'm sure will be a fantastic meet.

Edinburgh is a city of great sporting traditions and has hosted many major sporting events in recent times, including a number of swimming and diving competitions. The EISM will continue this tradition and help to raise the profile of aquatics in the Capital and beyond.

This is the seventh time Edinburgh has hosted this event since the refurbishment of the pool, and it will once again provide us with a wonderful opportunity to see some of the country's top swimmers in action.

The Royal Commonwealth Pool, overlooked by Edinburgh's ancient volcano Arthur's Seat, will once again provide an impressive backdrop for this event, and I am sure will give a real sense of occasion to all, whether competing or watching.

On behalf of the City of Edinburgh, I hope you enjoy your time here, and I hope that this prestigious event once again delivers an unforgettable experience for all involved.

A handwritten signature in black ink, which appears to read 'The Provost'.

The Rt Hon Lord Provost of the City of Edinburgh

Skins rules

The fastest eight swimmers from the open 50m heats progress to the final in the evening session.

All eight compete in the first round, after which the slowest two are eliminated. In the second round the slowest two are again eliminated. There are three more rounds with the slowest swimmer eliminated in each round until a winner is left. The swimmers are eliminated as follows:

- Round 1: – from 8 to 6 swimmers
- Round 2: – from 6 to 4
- Round 3: – from 4 to 3
- Round 4: – from 3 to 2
- Round 5: – the final 2 go head-to-head to produce a winner.

Round one is seeded as a final. Surviving swimmers from each round remain in their allocated lanes throughout until only two remain; in the final round the last two swimmers compete in lanes 4 and 5.

Round one starts under normal starting procedures. Only times set in round one count as accredited times for future events. Rounds 2- 5 start at three-minute intervals. For rounds 2-5, the starter gives a warning whistle 10 seconds prior to the start. The signal to start will then sound without any verbal commands.

Swimmers starting before the starting signal or breaching the stroke rules will be disqualified with all remaining swimmers progressing to the next round. Where there are two or more disqualifications in any single round, elimination of the swimmer finishing last will be suspended until the number of disqualifications are accounted for, ensuring that 5 rounds will be completed.

FINA start and stroke rules apply to all starts and strokes.

The men's and women's event will alternate. This will give the effect of a round starting every 90 seconds.

EDINBURGH INTERNATIONAL SWIM MEET 2022

PARA SWIMMING CLASSIFICATION

Sport classes

The sport class names in swimming consist of a prefix “S” or “SB” and a number. The prefixes stand for the strokes and the number indicates the sport classes.

The prefixes stand for:

- **S**: freestyle, butterfly, and backstroke events
- **SB**: breaststroke
- **SM**: individual medley

Sport Classes S1-S10 / SB1 – SB9 / SM1- SM10 - physical impairment

There are ten different sport classes for athletes with physical impairment, numbered 1-10. The lower the number, the more severe the activity limitation. Athletes with different impairments compete against each other, because sport classes are allocated based on the impact the impairment has on swimming, rather than on the impairment itself. To evaluate the impact of impairments on swimming, classifiers assess all functional body structures using a point system and ask the athlete to complete a water assessment.

The total number of points then determines the athlete’s S and SB sport classes. Due to the different demands of S and SB events, swimmers are often allocated different S and SB sport classes. The SM sport class is calculated from the S and SB sport class.

Sport Classes S/SB11-13 - vision impairment

Athletes with a vision impairment compete in three sport classes from S/SB11 to S/SB13.

S/SB11: These athletes have a very low visual acuity and/ or no light perception.

S/SB12: Athletes have a higher visual acuity than athletes competing in the S/SB11 sport class and/ or a visual field of less than 5 degrees radius.

S/SB13: Athletes have the least severe vision impairment eligible for Paralympic sport. They have the highest visual acuity and/or a visual field of less than 20 degrees radius.

In order to ensure a fair competition athletes in the S/SB11 sport class are required to wear blackened goggles.

To ensure safety all S/SB11 swimmers must use a tapper, swimmers in the S/SB12 and S/SB13 sport classes may choose whether or not they wish to use one.

Sport Classes S/SB14 - intellectual impairment

S14 swimmers have an intellectual impairment, which typically leads to the athletes having difficulties with regards to pattern recognition, sequencing, and memory, or having a slower reaction time, which impact on sport performance in general.

Moreover, S14 swimmers show a higher number of strokes relative to their speed than able-bodied elite swimmers.

THE UNIVERSITY OF EDINBURGH
SPORT

The University of Edinburgh
Scotland's leading sporting university

The University of Edinburgh is a pioneering Higher Education institution, allowing students to combine world-class study with the pursuit of sporting excellence.

A world-class Performance Sport programme

- High performance swim culture
- A track record of Olympic, World, European and Commonwealth selections
- Three full time performance swim coaches
- Priority access to the university's own 25m pool and dedicated access to the Royal Commonwealth Pool
- Specialist strength and conditioning training facilities and coaching
- Full competitive programme with training camps
- Expert sport and medicine support from our in-house specialists
- Access to sport scholarship funding, elite athlete flats and elite athlete applicant policy

A world-class university

- Consistently ranked in the world's top 50 universities
- Edinburgh is ranked the second best student city in the UK and 7th in Europe
- Ranked in the top 10 in the UK for graduate employability

Visit sport.ed.ac.uk for more information on the programme, scholarships and our Elite Athlete Policy.

"The training facilities offered at the University along with support with my academics allow me to get a balance between following my sporting dreams and getting a great education."

Kathryn Greenslade
Medical Student
2018 Commonwealth Games Medallist

The University of Edinburgh is a charitable body, registered in Scotland, with registration number SC005336.
