EDINBURGH INTERNATIONAL SWIM MEET 2025
WELCOME – CITY OF EDINBURGH SWIMMING
INTERNATIONAL TRUST

Welcome to the Edinburgh International Swim Meet 2025 to all swimmers, coaches, support staff, parents and spectators.

Once again we have a high-quality entry of athletes with representatives from 36 nations from all 5 of the original continents. A special welcome to those attending for the first time and I hope you find some time to explore our beautiful city.

It is a unique opportunity for club swimmers to compete alongside Olympic, World, European and Commonwealth Games medallists.

A big thank you to all the volunteers and the RCP pool staff. Your contribution is invaluable.

We are indebted to our partners and sponsors who support the event: City of Edinburgh Council, Aquatics GB, Scottish Swimming, University of Edinburgh, SASA East District, Chiene & Tait, Athlee, Stream-Scene, Forth Events and Wrightsport

WELCOME – CITY OF EDINBURGH

The Lord Provost of the City of Edinburgh, Robert Aldridge said:

“I am delighted to welcome all spectators, officials and swimmers to the 2025 Edinburgh International Swim Meet. Taking place here at the Royal Commonwealth Pool, with the stunning backdrop of Holyrood Park and Arthur’s Seat, this setting will undoubtedly enhance the atmosphere of the event and create a memorable experience for everyone present.

Edinburgh is a city known for its rich sporting history, and the EISM plays a significant role in that legacy. This marks the tenth time our city has hosted the event in the refurbished Royal Commonwealth Pool, offering us another fantastic opportunity to witness some of the country’s top swimmers in action

On behalf of the city of Edinburgh, I hope you have a fantastic time at this year’s event and I’m confident it will be as thrilling and enjoyable as ever.

A handwritten signature in black ink that reads "Robert Aldridge".

Robert Aldridge
The Rt Hon Lord Provost of the City of Edinburgh

Save Our Pools

Two years ago, we set up a petition in Scotland to Save Our Pools. That's because swimming pools are at risk of closure. 56% of pools in Scotland are over 30 years old and many of these are reaching the end of their lifespan. Without investment to maintain, renovate and build pools we risk losing these community hubs which improve the safety, health and success of the nation.

95% of the Scottish population think pools are important for safety according to an opinion poll by JL Partners in 2024. Our drowning statistics are more than double those of the UK and our unique geography with 30,000 inland waters and 11800 km of coastline means danger is never far away. Learning to swim in Scotland's swimming pools is vital for children to keep safer in, on and around water.

86% of the Scottish population think pools are important for health. Swimming is a sport for all regardless of fitness level, mobility or age. We need to make pools accessible, affordable and available to enable children and adults to experience the many health benefits that swimming and aquatic sports offer. If we could prescribe swimming as a preventative medicine, the NHS savings would be considerable.

93% of the Scottish population think all children should learn to swim. School swimming is the only fair and equitable way to ensure all children have access to basic swimming and water safety skills. Scottish Swimming's National Primary School Swimming Framework is ready to roll out across Scotland to ensure all children can benefit from school swimming. We just need Government investment to do this.

So how can you support our campaigns #SaveOurPools and #SupportSchoolSwimming?

- **Sign our petition at the QR code opposite**
- **Write to your MSP or MP**
- **Lobby your local councillors**
- **Talk about the benefits of swimming**
- **Build relationships - invite politicians to give out medals at competitions**

Or get in touch with h.frost@scottishswimming.com. Together we can make a difference and Save Our Pools.

University of Edinburgh Performance Sport

We offer the opportunity to achieve a world-class degree while competing at national and international levels.

Our Performance Swimming Programme has a strong track record of developing elite athletes, with recent successes including double Paralympic gold medallist Stephen Clegg at the Paris Games. Led by an exceptional coaching team, Mathew Trodden, Chris Jones, and Danny Kirkham - our programme benefits from experience across the Olympics, Paralympics, Commonwealth Games, European Championships, and World University Games.

Swimmers at the top level of our programme have access to a comprehensive support system, including full-time strength & conditioning coaching, sports psychology, physiotherapy, nutrition guidance, technical analysis, and academic flexibility to help balance their studies and training.

At Edinburgh, we are committed to fostering an elite performance environment where student-athletes can reach their full potential in both their academic and sporting careers. Join us and take your swimming to the next level!
